

Dear Sister.

Well, now is soon Christmas again the time runs so fast. It is so long time since you heard from me. We are all in good health and are very well. I have not any automobile though it is so expensive to have car here now.

How old are you now Maggi. I will be 82 years old April 3rd 1953.

You asked about my wife's name. Her name was Jenny and her maiden name was Kristiansen. She was born on the August 6th 1880 at Holmsbo, Furum.

I am wishing you a merry Christmas and a happy New Year.

Love and best wishes
to all from my family and
